

**Western Sydney International Airport Experience Centre and the Eaton Road Site Office is located at 100 Eaton Road East, Luddenham. The new alignment of The Northern Road is open to the public, and access to the Experience Centre and Site Office is as follows:**

**Travelling South from Penrith**

At the Elizabeth Drive intersection continue straight southbound. Continue straight at the Adams road intersection. Follow the road for 200 metres then turn left into Eaton Road East and then the driveway on your left.

**Travelling North from Liverpool (access from Elizabeth Drive)**

Turn left onto Adams Road and follow the road for 850 metres. Turn left at the intersection onto The Northern Road. Follow the road for 200 metres then turn left into Eaton Road East and then the driveway on your left.

**Travelling North from Campbelltown**

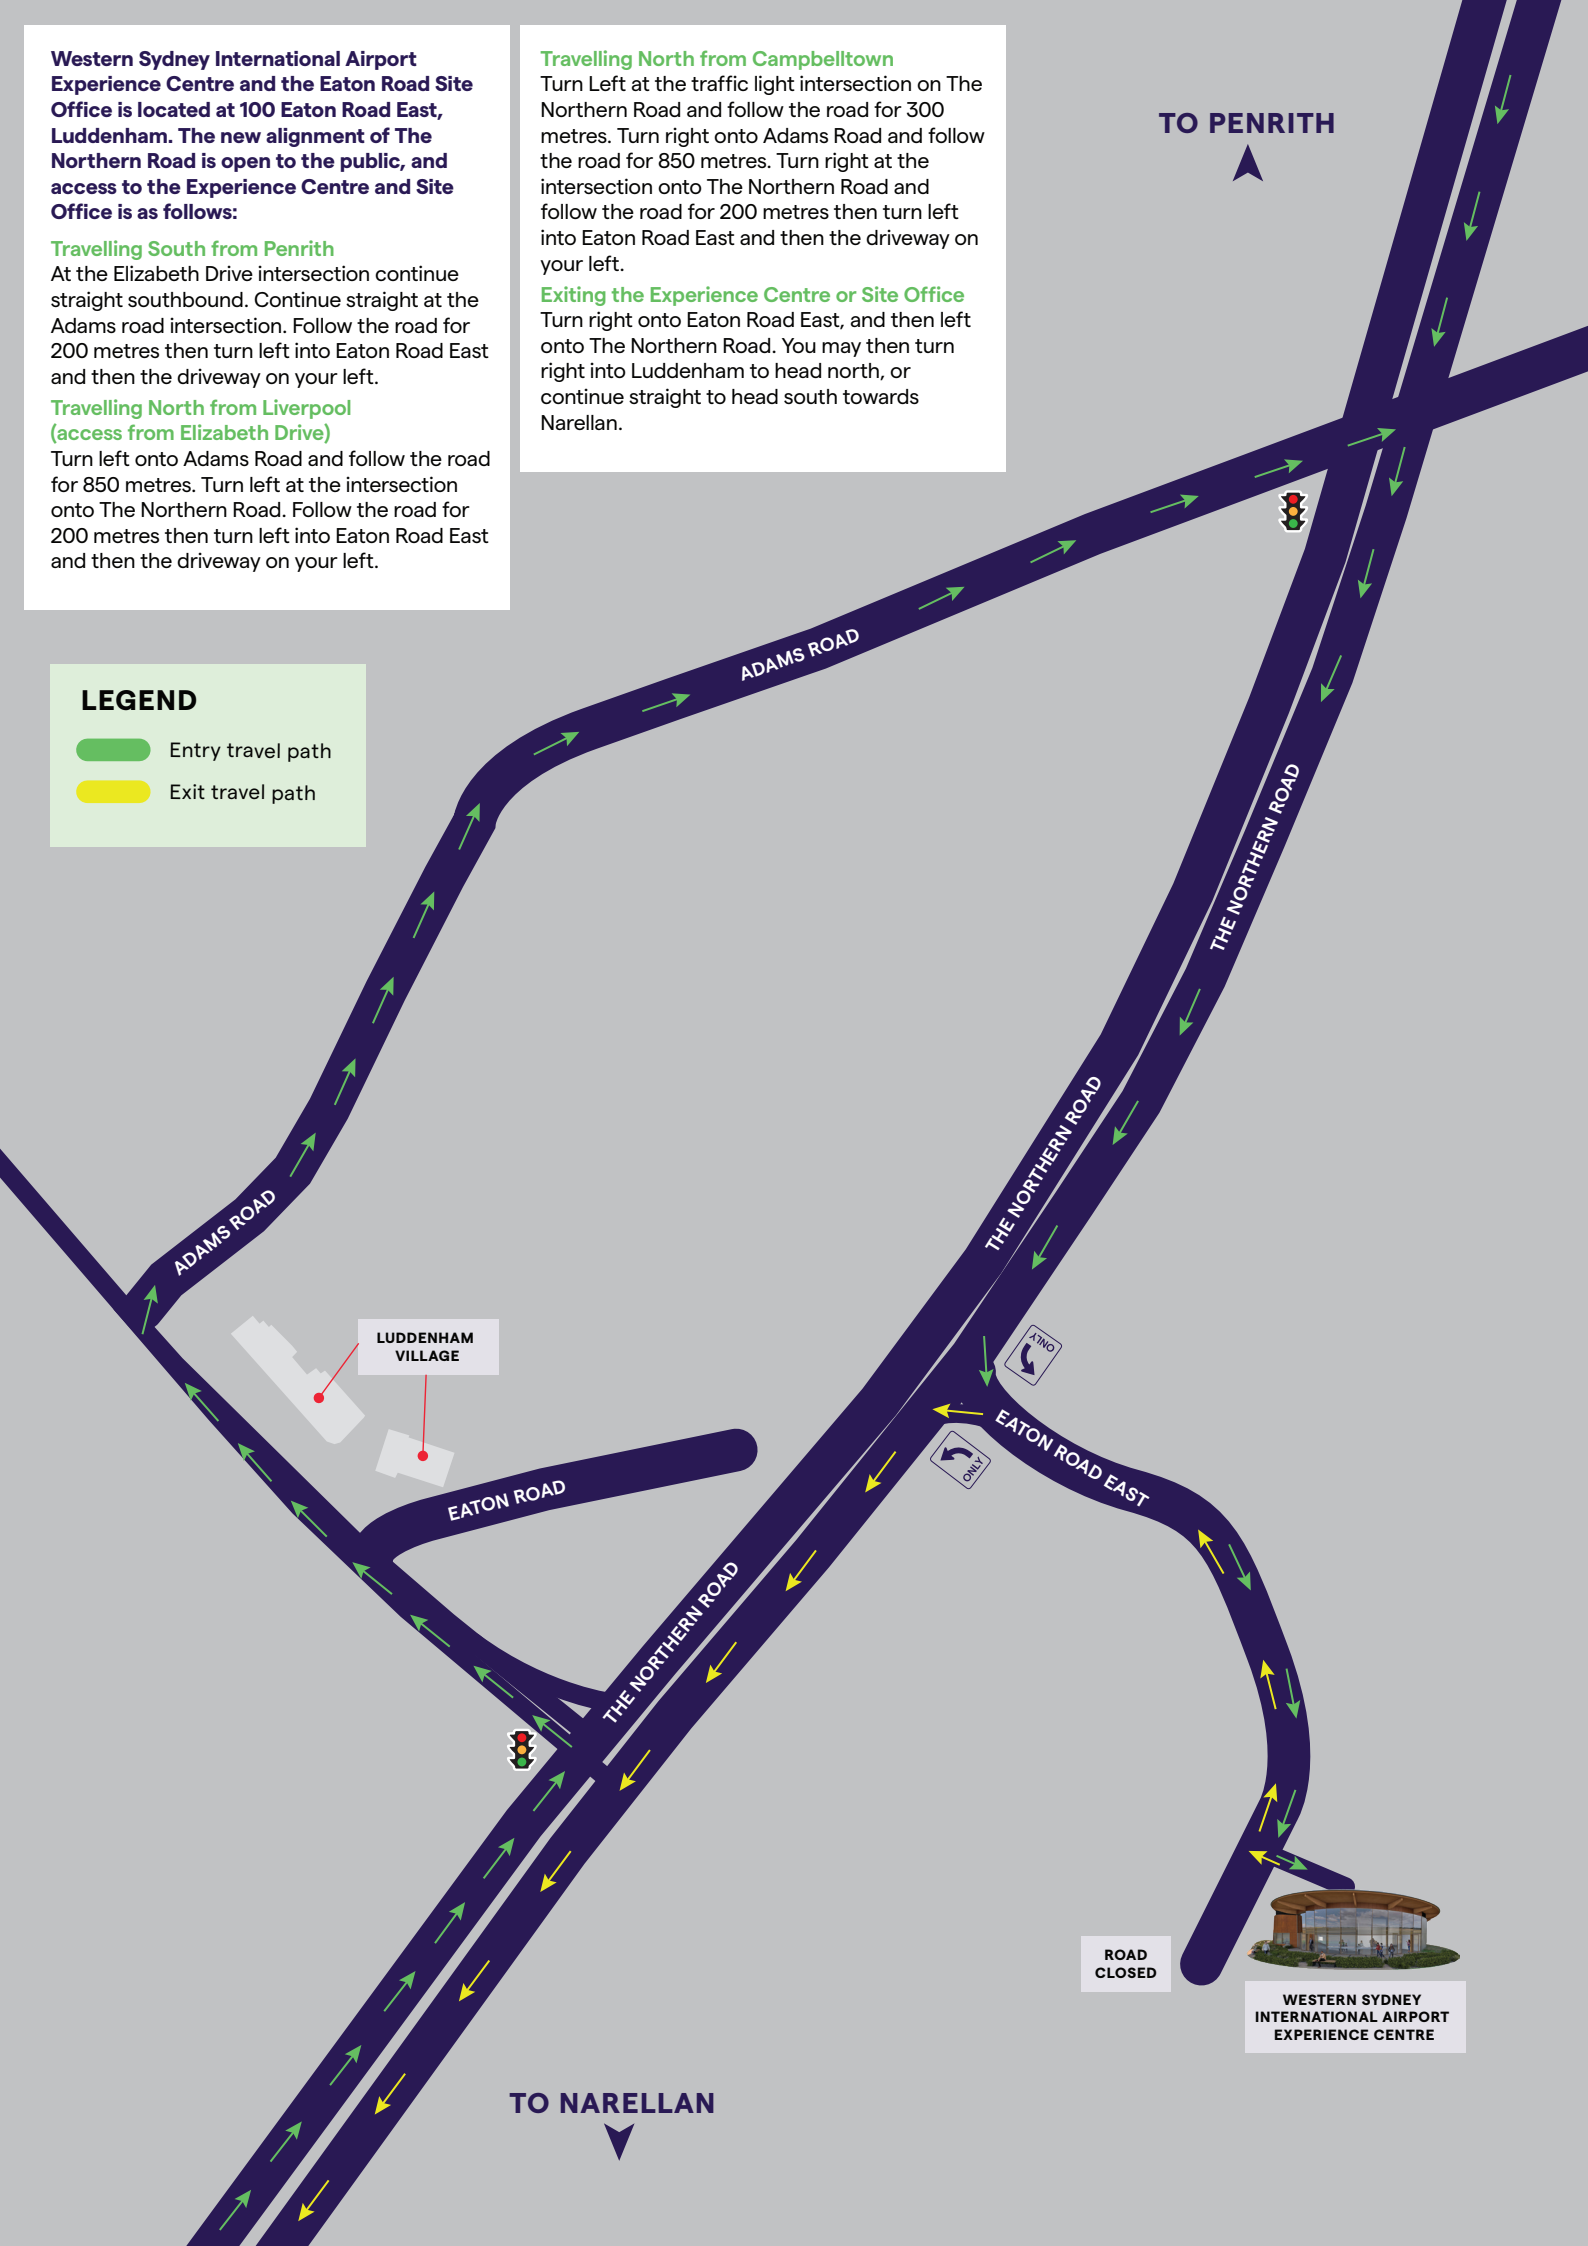

Turn Left at the traffic light intersection on The Northern Road and follow the road for 300 metres. Turn right onto Adams Road and follow the road for 850 metres. Turn right at the intersection onto The Northern Road and follow the road for 200 metres then turn left into Eaton Road East and then the driveway on your left.

**Exiting the Experience Centre or Site Office**

Turn right onto Eaton Road East, and then left onto The Northern Road. You may then turn right into Luddenham to head north, or continue straight to head south towards Narellan.
