

Be part of Sydney's new airport with our traineeship opportunities

We have 3 fantastic opportunities to kick-start your career with **paid traineeships** that support your development as you work towards a qualification.

- **Corporate Affairs**
- **Commercial & Delivery**
- **Finance & Procurement**

You'll work with passionate people at Western Sydney Airport who will mentor and train you with their knowledge, skills and experience.

It's an integrated learning experience - your formal training with TAFE will be blended with rewarding and practical experiences. You'll be making a real contribution to Australia's most exciting infrastructure project.

We'd love to hear from you if you say yes to the following:

- Completed your HSC in 2022?
- Willing to undertake a formal qualification at TAFE?
- Passionate about building a career in the above fields?
- Highly motivated to learn and achieve great results?
